

MONTICELLO

Tea Room

Jefferson called the semi-octagonal Tea Room his "most honorable suite" because it contained plaster busts of American heroes, such as George Washington and Benjamin Franklin.

Dear Mom, Aunt Ethel's chair, although not on display, is one of this set of 12 Jefferson brought back from Paris. Quite beautiful, don't you think? We had a lovely day here - most interesting. I think Ethel also donated or sold Jefferson papers.

Love, Jessie
